**SHAYLOR COMES TO VOLUSIA.**

Will Try Orange City Election Cases,  
 in Which Judge Stewart is  
 Disqualified.

Judge Samuel T. Shaylor of the Crimi-  
 nal Court of Record of Duval County  
 has been designated by Governor Brow-  
 ard to go to Deland and try certain  
 cases in which Judge Stewart of the  
 Criminal Court of Record of Volusia  
 County is disqualified.

The case is to come up tomorrow, and  
 Judge Shaylor will go to Deland to-  
 night, so as to be there on time for the  
 opening of court tomorrow morning.

The case to be tried is that of the Or-  
 ange City election case.

This is the case which caused the sus-  
 pension of County Solicitor J. W. Per-  
 kins, of Volusia County, who is alleged  
 to have failed to prosecute the case in  
 which the parties were charged with  
 violation of the primary election law.

J. Hall Brunsey was recently ap-  
 pointed by Governor Broward as  
 County Solicitor of Volusia County,  
 vice Perkins, suspended, pending the  
 investigation of the charges of neglect  
 of duty on the part of Perkins in failing  
 to prosecute this case.

Since the announcement in the Daily  
 News that there would likely be several  
 aspirants for the position of Mayor.  
 Politics have taken on a new lease, and  
 whenever a crowd of citizens gather,  
 politics, in many instances, is the topic  
 of conversation. It is very strange,  
 however, to say that no one has been  
 mentioned in connection with the alder-  
 manic race.

**Chileans Wear Overcoats Indoors.**  
 "In Santiago, the Chilean capital,  
 where I have been residing for some  
 years, it is common to see people put  
 on their overcoats when they enter a  
 house and take them off upon going  
 into the street," said a visitor to the  
 capital.

"The cause of this is that the at-  
 mosphere on the outside is warmer  
 than within the residences. The  
 Chileans do not heat their dwellings  
 to any extent, and they are construct-  
 ed of such thick walls that they are a  
 good deal on the order of refrigerera-  
 tors."—Washington Post.
